The Development Manager- Training Services is responsible for implementation of this policy and procedure and ensuring that all staff are fully trained in its operation and Students and Complainants are made aware of its availability.

Informal Grievance Procedure
Innovative Business Training Pty Ltd seeks to foster communication and co-operation and to provide an environment in which all issues can be satisfactorily resolved. The preferred approach is the informal resolution of a grievance.

In the first instance a student or prospective student (complainant) should discuss the matter with the staff member or responsible person concerned. Where this is not considered appropriate then the complainant is encouraged to discuss the matter with the Development Manager- Training Services.

If the complainant is satisfied with the outcome of the discussion, it would mean that the matter is resolved.
Records of the outcome shall be maintained by the Development Manager- Training Services.
